EDUCATION that truly LIBERATES!

Nurtured inside the halls on the campuses of Peace University is a sprawling panorama of 75 arts in professions for liberal and Management Education (PMEL). Aiming to inculcate a range of skills in young minds through courses by several eminent multidisciplinary educators, this unique environment is not just imparting them with means to create socially sensitive and globally competent professionals. It is liberating their minds by introducing the love of learning as a lifetime venture.

Students can satisfy their varied interests through the thriving activities such as PMEL is renowned for in the state as well as in the nation. Simultaneously, they can participate in the various sands of philosophy and a choice: a holistic process that may not be found in Math. Along with traditional modules like, Innovation, Entrepreneurship, and Social Media they also have developed modules like Global Students, Global Students, Global Students, Global Students, Global Students, Global Students, Global Students, Global Students, Global Students.

What is liberal education?

Liberal education has many evolutions. The prevailing view is that liberal education aims at teaching. Thou shalt. Thou shalt not. How we want, how we choose, how we think, is what counts in this world. This creates anxiety and these habits could become a behaviorally controlled mindset and structured environment. This leaves the students open for the world's narrow-mindedness. The modern student has to find ways to pass time and study while being in the world or the system. Liberal education is based on both

STUDENT SPEAK

“Having been a student of Peace University in the second year and finally, I was impressed with everything that had happened. The campus, people, students, everything. It has been a life-changing experience for me. Peace University has taught me so much. I am grateful to this university for providing such an environment where every student feels comfortable and supported.”

Academic Advisor, Economics

EXPERIENCE WITH STUDENTS OVER THE LAST COUPLE YEARS HAS BEEN VITAL FOR ME. NOT ONLY DUE TO THE CULTURAL DIFFERENCES AND LINGUISTIC CHALLENGES, BUT ALSO BECAUSE OF THE FASCINATION AND ENTHUSIASM OF THE STUDENTS. THEY ARE ALWAYS WILLING TO LEARN AND APPLY THEIR KNOWLEDGE IN A REAL-WORLD CONTEXT.

Professor, Economics

Feedback from students who have completed their courses at Peace University has been overwhelmingly positive. Many students highlight the innovative teaching methods, the diverse range of courses offered, and the opportunities for practical learning. The university’s commitment to fostering a community of learners who are not just academic achievers but also well-rounded individuals is truly commendable. Peace University is undoubtedly a place of growth and transformation, where every student is encouraged to reach their full potential.
